

*Jesus Walked on Water*

Jesus walked  
On water,

And so  
Can you.

Yes,

Jesus walked  
On water.

But  
Why did he want to?

*Writing on the Wall*

Allow me to  
Put on my evening gown.

I turn the bed sheets down.

I'm writing on the wall.  
Well, a notebook pressed against the wall.

Not every line of every poem  
I write is great.

But I don't care.  
I love them all anyway.

*Love Makes You Fat*

War is not what they ask for,  
But what they demand,

In the carnage of sex —  
The never-ending conflict

Waged by woman on man.

The former, not the latter,  
Started it, no doubt.

They say love makes you fatter.  
It puts your fire out.

*Pizza Pie*

I like pizza pie  
And prescription pills.

I like a muscle guy  
With big, big thighs

Who looks as if he kills.

I want a man who's cruel,  
As this world demands cruelty for success.

And without success:  
No pizza pie and no prescription pills.

*You've Gotta Eat*

I look around me,  
And all I see

Is gluttony.

How can you  
Even have

A motherfucking  
Appetite? Are you

Stupid or  
Just ignorant?

*Valium*

Did I just  
Take those Valiums

I was going to take?

Or did I forget to  
Take them?

I think  
I'll just take some more

Anyway, because I don't  
Really give a fuck right now.

*Are You Joking Me?*

Are you joking me?  
It's too hot to play

Football. Gimme some melon.

Gimme a spliff.  
Gimme air-con.

Gimme a good time.  
Gimme a happy ending.

There are no happy endings.  
Only eternity is happiness.

*I'm a Vampire*

Oh my god.  
Now I remember —

The other night, when we  
Were fucking —

You had come and were  
Frenetically groping my gaunt body, and

You told me I look like a vampire.

You kept kissing and groping me  
And telling me I look like a vampire.

*Change Your Mind*

Women's liberation does not  
Equal men's subjugation.

All you nasty hos best  
Get off my pistachios.

If you want to test me,  
I will answer any questions.

And I'll be testing you:

Your heart, your mind, your mouth,  
Your inflections, your infections.

*Proprietorship*

Visas:  
They're

Keeping you

From wherever  
You want to be.

Who's planet  
Is this anyway?

Is it yours?  
Do you own this planet?

*Travel*

Is it the journey  
Or the destination?

Is there a  
Difference?

*Difference* is a silly word.  
I prefer *similarity*.

Give credit where it is due.

Bees are attracted to flowers — flies to shit.  
Be a bee. Shoo, fly. Shoo.

*Friends*

I just realized  
That I have no

Truly great friends,

And I just realized  
That I've probably never been

A truly good friend  
To anyone else, either.

I guess that's all right.  
I'll take what I can get.

*Pardon My Paranoia*

I have a problem —  
I am observant

And I have a good memory.  
Seemingly nice people have

Fucked me over

Again and again and again.  
Still, I forgive them.

Still, I don't trust them.  
They know not what they do.

*Nymph or Maniac?*

Alone in love, or together in suffering:  
Which of these two is better?

If you don't care and I don't care,  
Should we not care together?

Time will tell who's a fool  
And which of us is clever.

So take your time.

I will take mine  
And wait for fairer weather.

*People*

People often insult  
One another.

It's always best  
Not to insult them back.

That's hard sometimes.

Sometimes,  
People can be real

Mean motherfucking  
Assholes.

*Hopeless*

Is the illusion of hope  
Better than no hope at all?

A matter of taste, I gather.

I prefer hopelessness,  
For it is only through knowing hopelessness that

One knows what one can hope for.  
Hope is there,

But is it only through despair?  
I gather.

*Smile — You're on Candid Camera*

Not even one blade  
Of the green, green grass

Moves

Without the will  
Of the Supreme.

*Something Special*

I want to write something special,  
Something that will solve all

The world's problems — no more  
War, no more hunger, no more

Hate or any of the other stupid shit going on.  
But I just can't think of anything.

Oh, wait. I know. This should do the trick:

Hare Krishna, Hare Krishna, Krishna Krishna, Hare Hare,  
Hare Rama, Hare Rama, Rama Rama, Hare Hare.
